

Disability Awareness Presentation

ABIL has trained volunteers to speak to schools, organizations or groups about living with a disability.

Who gives the presentation?

- A panel of volunteers representing a variety of disabilities.

What does the presentation include?

- Speakers share personal stories of living with a disability.
- Provide an explanation of the assistive devices and technologies that they use in every day living.
- Discuss disability etiquette.
- Describe what Independent Living and empowerment means to them.

ABIL volunteers speak to all age groups from elementary students, teens, to adults. The panelists encourage open discussion and welcome questions.

Please allow two weeks advanced notice when requesting a Disability Awareness Presentation. For more information or to schedule a Disability Awareness Presentation
